## #INWED23 Bunting

Fancy decorating your life with some #INWED23 cheer? - why not make some INWED bunting?

If you have access to a printer, you can print off and cut out the bunting. With a piece of string / ribbon and some glue you can hang it up and look all festive! Don't worry if you don't have a printer - just make some yourself and colour it in!

fold me over string and stick!
