#INWED24 Bunting

Fancy decorating your life with some #INWED24 cheer? - Why not make some INWED bunting?

If you have access to a printer, you can print off and cut out the bunting. With a piece of string / ribbon and some glue or tape you can hang it up and look all festive! Don't worry if you don't have a printer - just make some yourself and colour it in!

fold me over string and stick!
